Why do you wish do become a member of VWHB? _____

Please note: Valley with a Heart Benefits is an all volunteer organization whose mission is to inspire and encourage community involvement in the effort to help, aid and improve the quality of life for children inflicted with serious illness through monetary and spiritual support. No member of the VWHB staff receives any type of compensation for their efforts.

Individuals wishing to become members of the VWHB Staff, must obtain two sponsoring members, serve a probationary membership period of six months, and receive a simple majority vote approving their staff membership after the probationary period is completed.

There are no membership fees or dues paid to VWHB, however all staff members are required to participate in a minimum of 75% of all functions of the organization (ie: regular meetings, fund raising events, work sessions, etc.) in order to maintain their staff membership.

I hereby apply for membership on the Valley with a Heart Benefits Staff. By submitting this application, I agree to abide by the mission statement and by-laws of Valley with a Heart Benefits.
